Sponsorship and Recruitment brochure
WHAT IS CRIDC?

The Career, Research, and Innovation Development Conference (CRIDC) is Georgia Tech’s signature professional development event for graduate students. It is designed to connect graduate students of all degree types with professionals in research, industry, consulting and government, non-profits, management, and entrepreneurship.

CRIDC provides an unique opportunity to interface with innovative talent of graduate students at Georgia Tech and learn about our cutting-edge research. It is an excellent way to attract some of Atlanta’s best to your organization.
