AllMid has run community, collegiate, and nationally sponsored esports convention events for over 5 years. We're known for our unique & fresh events as well as connecting students to industry opportunities. AllMid also owns a professional Rocket League team that is in the top 10 division 1 North America field.
Counter Logic Gaming

CLG strives to uplift our community through championship wins, unforgettable fan experiences, and pushing the boundaries of esports entertainment.
eFuse is a web and mobile application empowering gamers to connect with one another and gaming opportunities. The ‘LinkedIn for Gamers’ launched in 2020 and has seen 23,000 opportunities created on the platform, 500,000 gamers register on the site and over $300,000+ worth of prizing.
Gamerjibe is an immersive events platform that lets organizers create engaging and branded 3D networking and exhibition experiences. We're gamers at heart and was inspired by video games to create Gamerjibe.
GGLeagues was founded in 2018 with the simple idea that all gamers should get an opportunity to compete at the games that they love. Whether you are looking to go pro, play varsity or just have a good time competing, you have to start your journey somewhere and we built GGLeagues to be that start. Recreational esports is something anyone, anywhere, any skill level should be able to play in and here at GGLeagues, it’s our mission to make that come true.
Discord, Screenshare, YouTube, Notepad, Pen Tool - we noticed there are too many tools to work with to review and share gameplay. Insights.gg is all about making it easier for you to spend less time opening, inviting, and coordinating a review session. We want to give you more time analyzing key moments, and replaying that moment you jumped off the map.
MSI is one of the leading brands in gaming and esports hardware. Technological innovation and breakthroughs in design have always been the forefront of MSI excellence. With MSI, expect extreme performance, stunning visuals, authentic sound, precise control and great reliability with products ranging from desktop components and monitors to full desktop systems and laptops. Join MSI in delivering the best and experiencing something new.
Overtime Gaming is the gaming vertical for sports media company Overtime. We're the team to help you achieve your goal of making a career in gaming.
Tribe Gaming

Exclusively representing some of the biggest names in mobile content and most talented players in esports, Tribe’s powerhouse of creators have garnered 20+ million subscribers and 80+ million monthly views on YouTube alone, and Tribe’s esports teams compete in five major mobile titles – having won multiple world championships. Mobile is a rapidly growing segment within gaming and esports, and Tribe believes the “tribes” within it – the competitors, content creators, and fans – are what make mobile special. Tribe Gaming is based in Austin, Texas with contractors located around the world.
