Employer Recruiting Guide

2022-2023
career.gatech.edu

Creating lasting value.

The Georgia Institute of Technology (Georgia Tech) is a top public university and one of the leading research institutes in the U.S.

Georgia Tech provides a technologically focused education to more than 45,000 students in six colleges focusing on business, computing, design, engineering, liberal arts, and sciences. Our wide variety of majors and minors consistently earn strong national rankings.

Media, Communication, & Entertainment	\$84,000	\$130,000
Supply Chain & Logistics	\$75,000	\$95,000
Other (Law, Self-employed, Other)	\$75,000	\$112,000

Employment by Regions (Bachelor's)

REGION	SOUTH	WEST	NORTHEAST	SOUTHWEST	MIDWEST	MID-ATLANTIC	OUTSIDE U.S.
% of students	50%	17%	10%	7%	8%	7%	1%
median salary	\$72,000	\$112,000	\$85,000	\$76,000	\$75,000	\$80,000	N/A

Employment by Regions (Master's)

REGION	SOUTH	WEST	NORTHEAST	SOUTHWEST	MIDWEST	MID-ATLANTIC	OUTSIDE U.S.
% of students	27%	27%	12%	9%	7%	9%	9%
median salary	\$98,000	\$130,000	\$120,000	\$108,000	\$100,000	\$110,000	N/A

NOTE: Student data are based on 2,249 undergraduate and 2,266 master student-reported responses at graduation. Numbers and percentages are rounded to the nearest whole number. Additional data available at academiceffectiveness.gatech.edu

Co-op & Experiential Education

The **Co-op program** is an accredited academic program in which students gain valuable work experience in their major by alternating between full-time study and at least three semesters of full-time paid work with the same employer.

Internships are designed to complement a student's formal education with practical experience. They are single-semester, major-related work experiences.
